Dear Friends,

I extend my heartfelt gratitude to the following donors who supported the Aurora Public Library Foundation in 2010. With your support to the Annual Giving Program, Imagine...the possibilities or both, your generosity made possible the new Outreach Services van that is now serving Aurora! Resources also were provided to assist patrons in need of employment services and for the Library's teen and children's educational programs.

Every effort has been made to assure the accuracy of the Honor Roll. If you

note an omission or error, please accept our apologies and contact the Foundation at 630-264-4154 or llston@aurora.lib.il.us.

Finally, please mark your calendar for October 28 as we embark upon the third annual Imagine...the possibilities. This year's event will support the new Main Library that is coming to Aurora!

Thank you for caring about our mission and the services we provide free to all residents.

Best regards,

Sarah Russe, Foundation President
